Service in the Town of Harrison, Marathon County,  
Wisconsin

1140-CG-108

**NOTICE OF PROCEEDING  
AND  
INVESTIGATION AND ASSESSMENT OF COSTS**

**THIS IS A PROCEEDING TO** consider the March 27, 2000, application of City Gas Company (City), as a gas public utility, for authority under Wis. Stat. § 196.49, and Wis. Admin. Code ch. PSC 133, to provide natural gas service in the Town of Harrison, Marathon County, Wisconsin.

City is a gas public utility, as defined in Wis. Stat. § 196.01 (5), engaged in the business of distributing and selling natural gas to the public in the City of Antigo and in other areas of Langlade County, Wisconsin.

No natural gas utility is currently authorized to provide natural gas service in the Town of Harrison, Marathon County.

City is proposing to install approximately 21,000 feet of two-inch plastic gas main and 27 services as part of this project. This extension will serve the estimated 25 residential and 2 commercial customers at an estimated cost of \$53,200. The project will originate from City's existing four-inch plastic main on CTH G in the Town of Rolling, Langlade County and proceed west to the intersection of CTH G and CTH HH. At this point the project splits into two parts. The first part will continue west along CTH G to the intersection with School Road and extend south on School Road to serve existing residences. The second part follows CTH HH south to the intersection with Brookside Road. Then two-inch main will extend east along Brookside Road to provide service to a new residential subdivision development.

**NOTICE IS GIVEN** that the Commission considers it necessary, in order to carry out its duties, to investigate all books, accounts, practices, and activities of the applicant. The expenses incurred or to be incurred by the Commission which are reasonably attributable to such an investigation will be assessed against and collected from the applicant in accordance with the provisions of Wis. Stat. § 196.85 and Wis. Admin. Code ch. PSC 5.
